My dear Campbell,

(4) In reply to your recent letter enquiring about His Excellency's visit to Mysore, I have just sent you the following telegram:

(5) "Reference your recent letter if entirely convenient to His Highness Their Excellencies propose leave Ootacamund for Mysore by Motor on 12th October and would like to include visit to Kolar during their stay. Letter follows".

(6) His Excellency contemplates reaching Mysore by motor sometime on the afternoon of Tuesday the 12th October and moving on to Madras on or about the 17th or 18th morning taking Kolar on the way for a day. But he is anxious that, if these arrangements are in any way inconvenient to His Highness, His Highness will propose some other time. As regards the details of the visit, he will gladly leave their settlement in His Highness' hands. Her Excellency Lady Pentland and the usual staff will accompany His Excellency.

(7) Will you very kindly let me know whether

the dates suggested are acceptable to His Highness and if so send me in due course the details of the visit as they are settled.

Yours sincerely,

D.O.No.10

The Palace,Mysore,

31st July 1915.
1st August

My dear Stokes,

8) I write in reply to your Telegram of the 30th.

9) His Highness is very sorry indeed that the 12th of October will not be a convenient date for Their Excellencies' visit. According to custom, His Highness remains - secluded in the Palace during the first nine days of the Dasara and cannot come out nor see any one. Dasara commences on October 8th; so you see, if Their Excellencies came on the 12th, His Highness would be unable to look after them personally as he wishes to do. If Their Excellencies could alter their dates so as to arrive here either on the 3rd or 4th of October or on the 18th or any later date, His Highness would be free to look after them and take them about. If they came on the 18th, they could see the Dasara Procession and Torch-light Parade of Troops which are always interesting.

10) His Highness hopes that His Excellency will understand the situation and how disappointed His Highness would be if he could not see Their Excellencies during their visit to his Capital. He is most anxious that their visit should not be postponed and he hopes that it will be possible

to fix a date which will not clash with his nine days' "retreat" during the Dasara.

(11) As regards Kolar, if Their Excellencies allow sufficient time to see everything here, it will be quite easy to arrange a trip. The best way to do it is to sleep at Bangalore and to make a day-trip to the Gold Fields from that place.

(12) His Highness would like Their Excellencies to spend at least four or five days here.

Yours sincerely,

Sd/ R.H. Campbell,

Madras Governor's Camp,

2nd August 1915.

My dear Campbell,

(13) In reply to your letter of the 31st instant, His Excellency desires me to say that he will gladly come on the 18th instead of on the 12th as originally suggested, since the former date suits His Highness' convenience better. Their Excellencies would much like to be present at the Dasara Procession and Parade of Troops. They would probably motor down from Ootacamund but before deciding between motor or railway journey His Excellency will be glad to have details as to the hour at which it would best suit His Highness that they should arrive, and the time at which the procession and the parade of troops will take place. It is possible that journeying by motor would bring them to Mysore too late in the day. These and other details can however be settled later on.

(14) Their Excellencies propose (tentatively) to arrive on Monday the 18th, stop until Friday the 22nd and proceed to Kolar on Saturday the 23rd, arriving in Madras on the morning of Sunday the 24th.

(15) Please convey to His Highness His Excellency's cordial thanks for his hospitable invitation and assure him that His Excellency fully appreciates the objections to the date originally suggested by him.

Yours sincerely,

D.O.No.18

The Palace,Bangalore,

7th August 1915.

My dear Stokes,

(17) This is in reply to your letter of August 2nd. His Highness the Maharaja is very pleased to hear that Their Excellencies can conveniently come to Mysore on the 18th October and stay till the 22nd.

(18) As regards the details of their visit, I will send you a programme later. It will be a quiet programme

of sight-seeing done in a restful way.

19) His Highness thinks that Their Excellencies could easily get to Mysore in time for the Procession by Motor if they left Ooty after an early breakfast. The distance is 100 miles and you should do it easily in 5½ or 6 hours. If you arrive at Mysore by 3-30 or 4 , there will be plenty time to dress. The Procession starts at about 5 P.M.

20) As regards Kolar, the distance from Mysore by road is about 150 miles and His Highness thinks it would be less tiring for Their Excellencies to sleep if possible at Bangalore on the 22nd and devote the 23rd to the Gold Fields. They can catch the night Mail or a Special to Madras at Bowringpet. We can easily make arrangements for accommodation and meals on the 23rd at the Gold Fields. You require a full day to see everything there.

21) The motor journey from Mysore to Bangalore can easily be done on the 22nd afternoon starting after lunch.

Yours sincerely,

Sd/ R.H. Campbell.

PRIVATE SECRETARY MYSORE

The Palace, Mysore,

17th September 1915.

18 2886.

My dear Sir,

In reply to your D.O. letter of the 11th Instant I write to say that I have just heard from the Private Secretary to H.E.the Governor of Madras who writes to say that Their Excellencies have much pleasure in accepting the kind offer of the Mining Board of the Kolar Gold Fields to entertain them during their visit to the Mines.

Their Excellencies will go to the Gold Fields by train from Bangalore on the morning of the 25th October. They will have a Special Train and will leave for Madras at about 11 P.M., the same night. The Private Secretary says that the timing of the Special train can be arranged so as to fit in with the day's programme.

I would suggest that assuming Their Excellencies to leave Bangalore after an early breakfast the programme may be arranged so as to provide lunch, tea, and dinner at the Gold-Fields and so as to enable Their Excellencies to retire to rest in their Special train after a quiet dinner. Would you kindly suggest the drawing up of a provisional programme on the following lines:-

October 25th	11-30 A.M.	Arrive by special train at Bowringpet
	11-30 to 1-30	Visit Mines.
	1-30.	Lunch.
	4-30	Tea.
	5- 0 to 6-30	More inspection if necessary.
	8- 0 P.M.	Dinner.
	10- 0 P.M.	Their Excellencies retire to sleep in the train.

I do not know what arrangement the Mining Board would suggest for the conveyance of Their Excellencies from Bowringpet to the Mines, i.e,, whether their special train could be shunted

PRIVATE SECRETARY MYSORE

so as to take them along the Gold Fields and back or whether the Special train could be left at Bowringpet and the Inspection of the Mines could be done in Motor Cars. His Highness would be glad to lend Motor Cars if required.

Yours sincerely,
